Nic,

I just spoke to Tyler.

So he was called into a meeting with PPS grounds planner Caroline Cantin. It seems that the request for this action comes from Matt Ritchie from PPS. We were asked to facilitate the installation of all fencing/barricades. PCL ED were part of the below email because they will be procuring and installing the fencing. We were requested to have no one in our buildings as of Friday and for a full 48hrs, Tyler mentioned that this would be a problem for us. Will need to negotiate options with PPS.

There was also mention of potential s.37 ultimate measures but the authorities and we were questioned on the feasibility of shutting down all air intake to our buildings along Wellington Street.

This is all I have for now.

Ben
